Sunrise Dancer

As a 4-year-old, Alert the Press beat Sunrise Dancer over 1010m. Sunrise Dancer has gone on to win 3 races, had 3 seconds and has 3 thirds. Alert the Press notably performs better on a good track condition rather than a wet track, therefore Singapore will suit him very well.

Akeed Mofeed

Born on 14 February 2009 in England, Akeed Mofeed is sired by Dubawi, a three-time Group 1 winner whose renowned offspring include Dubai World Cup winner Monterosso and Cathay Pacific Hong Kong Sprint winner Lucky Nine.

Akeed Mofeed was invited to represent Hong Kong in the Dubai World Cup Carnival and compete in the most prestigious race, G1 Dubai World Cup.

Akeed Mofeed

A thoroughbred racehorse trained in Ireland by John Oxx and arrived in Hong Kong in 2012. In Hong Kong he was trained by Richard Gibson. A winner over seven furlongs at two, he also finished second in the Beresford Stakes (G2, 1m) when trained by John Oxx in Ireland, where he also he won the Platinum Stakes (Listed, 1m) and finished fourth in the Irish Derby (G1, 1m4f), which was won by Camelot (Montjeu), at three, before he was sold to Hong Kong.

Arriving in Hong Kong in 2012, with great expectations from the media, Akeed Mofeed opened his account by winning a 1800m Class 2 race in early March 2013 and subsequently sealed his status as the best local 4-year-old of the year by capturing victory in the BMW Hong Kong Derby 2013 (HK G1, 2000m). Akeed Mofeed is also the 1st runner-up of the Longines Jockey Club Cup (G2, 2000m), losing only by a diminishing head to Endowing, the champion. On 8 December 2013, Akeed Mofeed was crowned champion of the Longines Hong Kong Cup (G1, 2000m), downing a field containing Japanese star Tokei Halo (Gold Halo), Cirrus Des Aigles (Even Top), Military Attack (Oratorio (IRE)) and Mackinnon Stakes (G1, 2000m) winner Side Gance (Passing Gance).

The son of Dubawi (Dubai Millennium) had eleven starts in Hong Kong, of which he won four, with his last start coming in the Dubai World Cup (G1, 2000m) at Meydan in 2014 where he finished fifth behind African Story (Pivotal).

REWARD Incentive Scheme

Under the scheme, an incentive will be paid to Owner of a Singapore-based horse in the form of a "credit rebate" of \$1350 per horse (WEF 1 April 2019), except owners of the 4th last placed horse to 2nd last placed horse who will receive "credit rebate" of \$450 instead. The "credit rebate" amount due to the Owner will be used to offset against his horse's monthly training bill and the Owner will only be billed the balance by his Trainer. This scheme is to help lower the cost of keeping horses in Singapore.

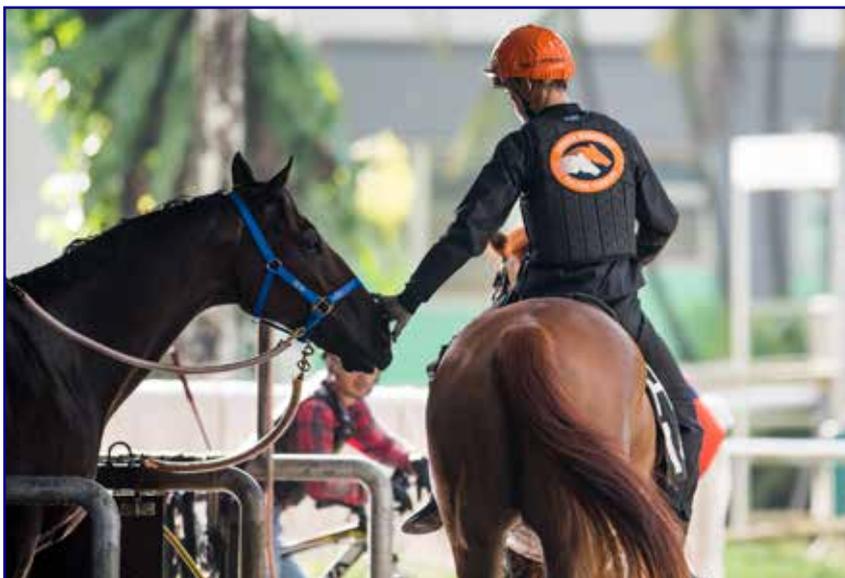

Get **\$1350** or **\$450** credit rebate
when Owners of horses meet the following criteria:

14 runners example:

Qualifying horses: All except 1st and last 4 placed horses.

With the 'c' above the qualifying horses.

Affordability of Ownership

If your horse wins you will receive the winning prize money, excluding credit rebates. If your horse runs 'second' to 'third from last place' you will receive S\$1350 which will be given to you from The Singapore Turf Club as cashback to put towards your training costs. If your horse runs 'second last' or 'last' you will receive S\$450 to put towards your training costs.

If your horse runs twice in a month you could receive S\$2700 which is a terrific incentive to owners!
